For bi-passing wardrobe and cupboard doors weighing up to 25kg

Cello is the perfect system for bottom rolling wooden wardrobe or cupboard doors weighing up to 25kg each. It can support bi-passing doors up to 920mm wide and between 16 - 40mm thick. Two and three door kits are available in order to create opening widths of up to 2400mm. A fittings kit is also available for when an additional door is required.

## Product Information
