For single sliding wardrobe and cupboard doors weighing up to 45kg

With Single Top, wardrobe doors have never been more graceful. Designed using hangers that fix to the back face of the door, Single Top works with wood, wood framed, MDF and hollow doors. The system caters for doors weighing up to 45kg and between 16mm - 40mm thick. Three kits are available for a maximum width of 900mm. A fittings kit is available for when an extra door is required.
